Here at Dreamers, we place an emphasis on delivering a high standard of dance training with a fun, supportive and friendly environment. Our workshops will be no exception!

On the Day:

- Children should arrive at 9am and be collected promptly at 12.30pm. Early drop off is available from 8.30am. Late pickup is available until 1pm. These are at an extra charge of £4 each per child and they must be booked in advance. (For example, one child requiring early drop off and late pickup will be £28. One child requiring early drop off but no late pick up will be £24)
- The workshop will take place at Dreamers Studio, Mason's Way, Olton, Solihull, B92 7HS.

- Please ensure that your son or daughter wears clothing that is appropriate for dancing. It should not restrict movement and it should also be comfortable and practical, for example- shorts, leggings, sportswear, t-shirts, tracksuits. With regards to footwear, dance shoes, trainers or bare feet is best.
- Please ensure your child has plenty to drink with them. They will also have a snack/drink break and so please pack suitable snacks and drinks of choice. They will have a couple of breaks throughout the day and so please ensure that they have adequate amounts of both food and drink. It will be a snack break, not a full lunch break and so there is no need to pack a full meal for them.
- If you're child has any kind of food allergy, you must ensure that I have been made aware of this as well as any other relevant medical details on the online sign up form. Please also disclose information on any forms of medication, including inhalers that they may have with them.
- Children should be used to being left with alternative care givers for multiple hours to attend this workshop. If this is something they haven't experienced before, it is not recommended that they attend. It is very normal for children to become unsettled at some point and every effort will be made to reassure and comfort any child who becomes upset. However, there must be a parent or guardian available to collect your child should they become too distressed to remain at the workshop.
- Payment must be received before your child's space in the workshop is confirmed. Once I have received this payment, I will write to you to confirm that you have secured a space.
- To secure a place, please complete an online sign up form. Once the workshop has finished, your information will be permanently deleted.

If you have any questions at all regarding this workshop, please do not hesitate to get in touch. Otherwise, I really look forward to seeing your child at our first ever Tippy Toes Easter Workshop!
