Lights, Camera... Christmas!

Dreamers Dance Academy are once again bringing the magic of the festive season to the stage with this year's spectacular end of year performance, Lights, Camera, Christmas!

Because it wouldn't be Christmas without our favourite festive films lighting up the TV screen! This year, we're bringing those much loved Christmas movie moments to life through dance, music and a whole lot of festive magic. Get ready for a show packed with sparkle, laughter and all the Christmas favourites we know and love!

Show 2- 7.30pm
Approximate finish time- 8.30pm

The show will feature dancers from Mini Stars right through to Seniors! However, to keep the performance to a manageable length, not every class will be taking part. Instead, we've carefully selected classes from each age group, ensuring that all dancers have the opportunity to be involved. The below classes will perform...

Mini Stars- Ballet and Tap
Juniors- Ballet and Musical Theatre
Intermediates- Ballet and Musical Theatre
Pre Seniors- Jazz and Street
Seniors- Jazz and Musical Theatre
All Acrobats

It wouldn't be a show without costumes! However, to keep costs as low as possible, there will be a combination of purchased items and things you are likely to already have at home. Further information will be released nearer the time when plans are finalised.

This show is not compulsory, but I do hope as many Dreamers as possible are able to perform. For now, all you need to do is pop the date in your diary and complete the registration form on the website.

PLEASE COMPLETE THIS FORM EVEN IF YOU ARE NOT PARTICIPATING. If you are not participating, you don't need to complete the remainder of the form.

The countdown is officially on!

Costume Information!

Hired Costumes

These are costumes that we have to return after the show. They typically arrive 1 lesson before the show and dancers will be able to take them home. After the show, the costume MUST be left at the theatre and not taken home as they are returned to the hire company the very next day. Please note that if you accidentally take the costume home, there is a delayed return fee from the supplier. You also must not write names in costumes or attach any name stickers/labels.

Hair!

To keep things simple, if your child is performing in a ballet routine, their hair must be in a neat bun. If they are not in a ballet routine, they should have their hair in a slick ponytail. If a ponytail is not achievable, hair must simply be neat and off their face. Please use gel and or hairspray to keep hair in place! Hair bobbles must also be close to their hair colour. Boys- hair should simply be neat/groomed.

Make Up!

Stage lighting washes out facial features and so we use stage make up to simply add features back onto faces! For example. lipstick ensures dancers have visible lips on stage. As a minimum (unless allergies prevent it), all dancers should have red lipstick on (girls only). Any other make up is completley at your discretion. A full face of stage make up would be foundation, bronzer, blusher, eyebrow gel or powder, smokey eye shadow, mascara, red lip liner and lip stick. Dancers can wear as little or as much as they like. Feel free to add sparkle or glitter to their make up, but please don't send your child with glitter in their bags to apply themselves as glitter spillages cause havoc! Boys can wear make up at their own discretion, they do not have to wear it.

To see the details for your childs costumes, please scroll to find their age group where you will see what is being supplied, what you need to provide and any fees involved.
